DIPLOMA IN CCTV INSTALLATION (DCI)

DURATION: 2 MONTHS

**G-TEC
HARDWARE &
NETWORKING**

FEAR REDUCTION

Using CCTV cameras makes people feel safer. It gives peace of mind to the users like homeowners, business owners and factory owners. They get safety to their businesses or property as well as their loved ones.

With recent major technological advances ensuring that CCTV continues to play a major role worldwide in helping to combat criminal and terrorist activity, it is not surprising that our CCTV Training Courses continue to be extremely popular.

Our combination of classroom theory and 'hands-on' practical CCTV training courses will provide you with a comprehensive understanding of the very latest advancements in CCTV technology. Our CCTV training courses cover the entire CCTV system planning and design process as well as the specification, installation, set up and maintenance of key system components such as cameras, lenses, DVR, NVRs and cabling
